Respect - **Independence** - Community - **Kindness**

Hello I am Jen and for the past 18 years I have been dedicated to working for Brynteg Comprehensive School, where I am in charge of Marketing and Communications.

Part of my role is to foster strong connections within our local community. I firmly believe in our school ethos and values and I am on a mission to showcase our school's educational achievements and excellence to the wider community, nurturing school-to-community and school-to-home links.

I represent the school, highlighting the school's commitment to educational excellence. I thoroughly enjoy enhancing community engagement and connecting with people who believe in our provision as much as I do. Every year, I play a part in increasing student enrolment, which not only benefits our school but also secures vital educational funding and job opportunities. This is so good for our community!

I am here to share more about our journey, and I am on hand to discuss how I can help you. Feel free to get in touch with me.

What We Do

What makes us a good school?
There are four key ingredients:

- Outstanding teaching and learning
- A wide range of extra-curricular activities
- A good mix of school and social activities
- A strong support network for each and every student.

Brynteg School offers all of these and more and that is what makes our school such a special place in which to be.

“Enabling a positive educational journey for your child and positive community links”

Respect, Independence, Community and Kindness
At Brynteg School, we place a strong emphasis on four core values that guide our mission and define our community. These values are not just words on paper, they are the principles that guide our daily actions, decisions, and interactions. They shape our educational approach and help us develop responsible, engaged, and compassionate individuals.

Anti-Bullying We Must Stand Together

Respect:

Treat everyone as you would like to be treated. At Brynteg School, we respect each other's differences and create an environment where everyone feels safe and valued.

Independence

Stand up for yourself and others. Don't be afraid to report bullying—show your strength by doing the right thing.

Community:

We are all part of the Brynteg family. Let's support one another and work together to make sure bullying has no place here.

Kindness:

A small act of kindness can make a big difference. Be kind to your peers and let's create a positive culture.

Together, we can make Brynteg School a safe and supportive space for everyone.
